DISPOSE OF YOUR OWN RUBBISH!

A resident has informed us that a man in a large saloon, black "Mercedes-type" car with darkened windows is going around Shankill dumping rubbish in other people's bins. Clearly this person is cutting down on the cost of bin charges by using other people's bins. He was also seen, on several occasions during May, dropping general household rubbish as well as a load of heavy slates which could have been left over from a building project into a skip in Shanganagh Grove. Residents should not be expected to pay for disposal of other people's rubbish.

SEPARATED AND DIVORCED INFORMATION

A support network for separated, divorced, and divorced and remarried people meets regularly in Shankill. All are welcome to contact the network by texting 087 3646067 or by emailing us at listening ear14@gmail.com. All communications will be guaranteed complete confidentiality and everyone will be warmly welcomed.

Place: St. Anne's Resource Centre.
Date: Second Tuesday of every month.
Time: 8pm - 9.30pm

DONATION THANKS!

A big thank you to the Tidy Towns committee who gave SCAN a generous donation this month. From time to time we receive donations and we are most grateful for your support as every bit helps towards maintaining SCAN for the Shankill area.

ONLY FOR THE KINDNESS OF STRANGERS

In early February I was taken seriously ill at the bus stop in Shankill village. Only for the initiative and kindness of three young lads and a lady who stayed with me during my ordeal, the outcome would have been very different. After three months in hospital, I have now recovered and want to express my sincere gratitude to you all, whoever you are.

Care & Repair

Are you 65 years or over?

Do you have a small repair job that you would like some help with?

Southside Partnership DLR, your local community development company, in association with **Age Action Ireland**, is pleased to provide a **free Care & Repair Service** in the Dun Laoghaire Rathdown area.

A suitable 'job' for us to help with is one that you expect will take up to two hours max. and might include a garden tidy-up, replacing light bulbs, fitting door chains or smoke alarms, putting up shelves or moving light pieces of furniture to another room.

Our staff will provide a helping hand with a variety of small tasks that an older person may find difficult.

To find out more please contact our Care & Repair office in BALLYBRACK on (01) 44 55 450
or email us at: careandrepair@sspship.ie

While there is no charge for this service, voluntary donations, no matter how small, are gratefully accepted. Any such donation will be used to purchase equipment and materials to support the service.

Government Spending In Ireland – See Where Your Money Goes

The Office of the Government Chief Information Officer, part of the Department of Public Expenditure and Reform, has produced a new website which makes it easy to examine government expenditure over the last ten years. Information is broken down into sectors (for example, Health, Welfare, Education) so that users can see how and where money is being spent. The website uses interactive charts and graphs so that the data can be examined in different ways. *Find out more on the* ***Department's website, per.gov.ie.*** *or Visit* ***whereyourmoneygoes.gov.ie.***

Breaks at Work - All workers are entitled to have breaks while they are at work and also rest periods between working days or nights. The Organisation of Working Time Act 1997 sets out the statutory minimum entitlement for employees as regards working hours, annual leave, night work, breaks and rest periods for employees. The general rule on breaks is that you are entitled to a break of 15 minutes after a 4 ½ hour work period. If you work more than 6 hours you are entitled to a break of 30 minutes, which can include the first 15-minute break. There is no entitlement to be paid during these breaks and they are not considered part of working time. Shop employees who work more than 6 hours and whose hours of work include 11.30am–2.30pm are entitled to a one-hour consecutive break which must occur during those hours.

Example: If you start work at 7am you are entitled to take a 15-minute break at 11.30am. At 1.15pm when you have worked 6 hours you are entitled to take a break of 30 minutes. As you have already taken a break at 11.15, your employer can limit this break to 15 minutes. (If you are working in a shop you are entitled to a one-hour break at 1.15pm.) If you start working again at 1.30pm or 1.45pm and continue working until 6 or 6.15pm you are entitled to another 15-minute break.

Employees whose working conditions are covered by the Registered Employment Agreement (Dublin and Dun Laoghaire Drapery, Footwear And Allied Trades) are entitled to a 15-minute paid break (exclusive of the main meal break) if working more than 4 ½ hours. Until 7 July 2011 employees who were covered by the Employment Regulation Order (ERO) for the Retail Grocery and Allied Trades (nationwide) were entitled to a 15-minute paid break (exclusive of the main meal break) if working more than 4 ½ hours. Following a High Court decision Employment Regulation Orders ceased to have statutory effect from 7 July 2011. Employees who were covered by this ERO have existing contracts of employment which govern their conditions of work. Any change in their contract of employment normally requires the employee's consent so the terms set down in the ERO still apply to employees whose contracts date from before 7 July 2011. Until new EROs are made the conditions of work (including rest periods) for employees who start work after 7 July 2011 are governed by employment legislation such as the Organisation of Working Time Act 1997.

Rest periods - The definition of a rest period is any time that is not working time. The rest periods set out in the Working Time Act are as follows: (a) you are entitled to 11 consecutive hours rest in any period of 24 hours. In addition you should get 24 consecutive hours rest in any period of 7 days and this should normally follow on from one of the 11-hour rest periods already mentioned, or (b) As an alternative your employer can give you two 24-hour rest periods in the week that follows one in which you did not get the entitlement described in (a) above. Unless your contract provides otherwise your 24-hour rest period referred to above should include a Sunday.

Who is not covered by the Act - The provisions of the Organisation of Working Time Act 1997 on breaks and rest periods do not apply to all employees. They do not apply to the Gardaí, Defence Forces, employees who control their own working hours or family employees on farms or in private homes. The working hours of young people under the age of 18 are regulated by the Protection of Young Persons (Employment) Act 1996.

Exemptions - In the following situations employers can be exempted from providing the rest periods as set out in the Act. These exemptions are allowed provided the employee is given equivalent compensatory rest. This means that if a rest period is postponed the employee must be allowed to take it within a reasonable period of time. The Workplace Relations Commission has a Code of Practice on Compensatory Rest Periods Exceptional circumstances: an employer is exempt from providing these rest periods if this is not possible due to exceptional circumstances or emergency.

Collective agreement: The rest periods set out in the Act may be varied if there is a collective agreement to vary them which has been approved by the Labour Court or if there is an Employment Regulation Order or Registered Employment Agreement.

Shift work: When shift workers are changing shift or are working split shifts there is an exemption from the requirement to have the rest periods as specified in the Act. However, the regulations governing those employed in transport activities (SI 20/1998) and in certain categories of civil protection services (SI 52/1998) exempt them from the provisions on statutory rest breaks/periods but do not require them to have equivalent compensatory rest. You can refer disputes about Breaks and Rest Periods to the WRC

under the Organisation of Working Time Act 1997. You should make a complaint within 6 months of the dispute occurring. You must use the online complaint form available on ***workplacerelations.ie.*** However, this time limit may be extended for up to 12 months if there was reasonable cause for not bringing the complaint within the first 6 months. Further information on breaks and rest periods and your employment rights is available from: **Workplace Relations Commission's Information and Customer Service:** Workplace Relations Commission, Information and Customer Service, O'Brien Road, Carlow, R93 W7W2; Tel: (059) 917 8990; Locall: 1890 80 80 90.

NUTRITION FOR EVERY AGE

by Ailish Connelly

We emerge into this world, some quietly, some roaring and most of us looking for immediate sustenance and a sound start to that one great relationship we will have all our lives; our relationship with food.

As ***babies*** we are nourished with breast milk or failing that a suitable formula milk. If your baby is lactose intolerant try other milks. One milk which is not suitable for infants is Soya milk. You should not feed your baby soy based formula as doing so gives him/her an equivalent of five birth control pills' worth of oestrogen every day.

Try specialised hydrolysed formulas available from pharmacies. After 6 months of age formula goats or sheep milk may be tolerated. Check with your doc or paediatrician. *(Fermented soy such as miso or tempeh is fine for older children and adults as it does not contain enzyme inhibitors and other agents which can disturb digestion.)*

Teenagers need as much nutritional support as possible what with hormonal changes, exam stresses, school and sports demands. Girls and vegan or vegetarian teens need extra iron. Good sources include lean beef, lamb, and potatoes with skins on and green leafy veg. Vitamin C helps absorb the iron. And don't drink tea or coffee with a meal as it reduces uptake of iron.

Vitamin C, Omega 3s, Zinc, Calcium and lots of feel good vitamin D is needed in extra quantities for our teens. A good supplement can help with faddy diets or fussy eaters. Twenty somethings need to lay down plenty of bone mass and need calcium via dairy, leafy greens and garlic. Good sources of fat such as Omega 3 from oily fish such as mackerel, herring or sardines.

You may feel invincible in your thirties, but newsflash, your metabolism is already slowing down. Between work and family demands your nutrition requirements go up. Increase vitamin C intake via berries, citrus, broccoli or potatoes. You will need more B vitamins for energy with wholegrains, cereals and meat. Selenium from brazil nuts, tuna, lean meats and brown rice plus zinc from seafood will help with fertility.

40s and 50s need more minerals and vitamin D to cope with falling hormone levels and resulting bone loss for women. Vitamin B 12 is less readily absorbed as we age so top up with seafood, liver, mackerel, smoked salmon, fortified cereals and eggs. Eat oily fish for Omega 3s (the good fats) for brain, joint and cardio health and take extra magnesium in avocados, hummus beans, and dark chocolate!

60s+ benefit from smaller more nutrient dense meals throughout the day. Protein with every meal, fibre for gut health (reduced activity can cause constipation), vitamin D for your immune system so get out into the sun for half an hour at least per day and consume lots of good fats such as oily fish, olive oil, avocados and coconut oil to aid cognitive function.

Shankill Bowling Club

by Paddy Hughes PRO

LADIES' TEAM

Our Ladies Team travelled by coach (pictured) to play their away game vs. Skerries on Wednesday 10th May. They gained a creditable 3 pts., from a strong Skerries side, who took the overall by only 4pts. Our winning skips were Nuala Shortt, Mary Ryan and Maura Bannon.

No doubt, the Skerries team form was boosted by their town winning Ireland's Tidiest Town this year, and the visit of our President, Michael D. Higgins just the previous day!

MEN'S TEAM

It is too early to make judgements on the form of our first team (10th May)—so far in their League, so fingers crossed! In the Veteran's League (Vets), we are having some success with an outstanding victory over a Bray side, in Bray. The team skips were Jim Kelly and Henry Bellew. It was also a remarkable occasion as 6 rinks were played by 4 Clubs at the same time—Bray; Shankill; Dun Laoghaire; Crumlin—making a total of 48 bowlers, all bowling at one time! When you add in the number of spectators, the proof of the popularity of the game is sustained. On that day, the same situation was occurring not only at Shankill Bowling Club but at several other clubs in Dublin.

Our Executive Committee have agreed to facilitate a request from Blackrock Bowling Club to let their men's teams play their home B.L.I. matches in Shankill on a temporary basis while their own green, a grass surface, undergoing treatment.

BOWLER ETIQUETTE

Bowls should be played in the spirit of good sportsmanship and with good manners.

Players should make every effort to win, but should treat their opponents with courtesy.

As soon as each bowl has come to rest, possession of the rink is transferred to the other team. By the time a player's bowl comes to rest, he/she should be behind the mat or behind the head—not between the two.

Players of each team not in the act of playing or controlling play should stand well behind the head or a yard behind the mat. A player on the mat should not be interfered with, annoyed or have his/her attention distracted in any way by an opponent.

New Members always welcome!!

A message from Mary Mitchell O'Connor TD

Dear Constituent,

It's just over a year since I was appointed as Minister for Jobs, Enterprise and Innovation, and 15 months since the people of Dun Laoghaire put their trust in me and re-elected me to Dáil Éireann. I'd like to share with you some of my key achievements over that time.

Being a Government Minister brings challenges and opportunities, but it is an opportunity to help change people's lives. When I was appointed as Minister I was charged with overseeing the creation of 200,000 new jobs by 2020, and that 2 out of every 3 of those jobs were to be in rural and regional Ireland. That's my goal.

When I was elected to Dáil Éireann, first in 2011 and again in 2016, my goal was to help improve the lives of people in Ireland, and especially in my constituency. This continues to be my priority. While my work as Minister takes the spotlight, I and my team continue to work tirelessly for the people of Dun Laoghaire. If I can help you, on any local or national issue, please get in touch to *mary.mitchelloconnor@oir.ie or by calling my office on 01-631 2219.*

Yours sincerely

Mary Mitchell O' Connor TD
Minister for Jobs, Enterprise and Innovation

Economy and Jobs

I am very conscious that enterprises create jobs and Government helps makes that happen with direct supports and a positive business climate.

Two million people are now at work; the largest number since 2009. Sustainable full employment is the target. Since my appointment the unemployment rate has fallen from 7.8% in May 2016 to 6.2% in April 2017.

An additional 66,100 jobs were created during 2016, 70% of which were outside Dublin. Critically, 40% or 25,000 of the net additional jobs in 2016 came from the clients my Department supports through Enterprise Ireland, IDA and the LEOs. These direct jobs create almost the same number indirectly.

I refocused the Action Plan for Jobs (APJ) 2017 to focus on Brexit and new global trading challenges;

Brexit

I have driven the unrelenting focus of my Department and its agencies on the impact of Brexit. I set up and Chair a special Brexit Unit and I have also established an Enterprise Stakeholder Forum on Brexit and Global Challenges.

I've held meetings with Commissioners Malmstrom and Bienkowska in Brussels. I also met several UK Ministers, as well as my Ministerial counterparts from Denmark, Netherlands, Sweden and Belgium. I have used every Ministerial meeting to engage colleagues on Ireland's key concerns.

I have 18 sectoral investigations underway to inform policy decisions regarding Brexit impacts; and have prepared the ground for new financial support mechanisms for companies which are ready for launch.

IDA

IDA client companies created just under 19,000 jobs in 2016 – 52% of all jobs outside of Dublin. There are now almost 200,000 people directly employed in IDA supported companies, its highest level recorded. Enterprise Ireland (EI)

In 2016 EI client companies created 19,244 new jobs; a net increase of 9,117. Two thirds of these were outside Dublin. There are now 201,000 employed directly in EI supported companies, and these numbers continue to grow.

I launched a Brexit Scorecard to help small companies self-assess readiness for Brexit. I also launched a €750k Competitive Start Fund for female entrepreneurs and a call for high performance start-ups.

Local Enterprise Offices (LEOs)

I secured a 22% increase in funding, from €18M to €22M for 2017 to support new start-ups across Ireland. I also resourced Ireland's Best Young Entrepreneur (IBYE) competition which had the highest ever entrants this year, and was won by Ciara Clancy of Beats Medical, who also won the Dun Laoghaire Rathdown County Final IBYE award.

Science Foundation Ireland (SFI)

I procured €40 million for major SFI Investigators' Programme and provided €22million for 40 projects in Starting Investigator Research and Career Development Award programmes. I was also delighted to launch the €49million Centre for Research in Medical Devices (CURAM) through SFI with industry partners.

InterTrade Ireland (ITI)

I increased funding for InterTrade Ireland and commissioned a cross border report by ITI on Brexit implications for the Border region. I met with ITI in Newry and continue to support this agency's work and Brexit programmes.

Department of Jobs, Enterprise and Innovation

I secured largest ever capital budget for Department in Budget 2017: €555million (10% increase) and had the Department R&D budget increased to €322million.

I chair the Retail Consultation Forum. I also established the Enterprise Stakeholder Forum and launched the new Trade and Investment Strategy with Taoiseach and Minister for Foreign Affairs in March 2017.

I launched a public consultation on the contentious subject of ticket resale for major events.

I appointed Mr Justice Nicholas Kearns as chair of the Personal Injuries Commission. Establishment of the Commission was one of the key recommendations of the Cost of Insurance Working Group Report.

Labour Market Reform

I reformed employment permits arrangements and opened the system up to new categories to address skill shortages. I implemented the minimum wage increase recommendation of the Low Pay Commission.

Trade Missions

I have led numerous trade missions: USA (San Francisco, Los Angeles, Chicago, St. Louis, New York and Boston), Canada, UK (Farnborough Air Show), China and Japan. I have also led two trade and investment missions in Ireland to encourage foreign companies to increase business with Irish indigenous firms.

Legislation

I introduced new legislation dealing with company law, hallmarking and certification of inventions. I also brought proposals to Government on protections for employees on insecure and low hour contracts.

Saint Joseph's Shankill
Dedicated to Dementia care

Saint Joseph's Shankill launch day care garden in memory of Dr Bill Brosnan.

On Friday, 28th of April last, a huge crowd gathered in Saint Joseph's Shankill to attend the official opening of the new Saint Joseph's Shankill Day Care garden in memory of Dr Bill Brosnan.

Bill's wife Monica, who sponsored the garden's creation, performed the official ribbon cutting and unveiling of the plaque in Dr Bill's honour. Dr Bill had attended the day care service at Saint Joseph's after he was diagnosed with dementia some 5 years ago, sadly Bill died in 2014.

Thanks were extended by Monica to all the staff in Day care, for their care of Bill when he was in attendance and for their continued passionate care they give every day to the people living with dementia who attend this amazing service.

Geraldine Ennis, Day care manager, thanked Monica for her generosity for sponsoring for the new garden, and she also thanked the hard work of Jimmy Sunderland and his team who created the garden for the day care attendees to enjoy. Geraldine credited all the Saint Joseph's 'family' which includes, residents, attendees, staff and families for making Saint Joseph's such a special place. Adrian Doherty, Operations Manager extended his thanks to Monica and Bill on behalf of management and also recognised the wonderful team in day care for their commitment and passion to their work.

The garden itself includes seating areas, raised planting beds, garden archway and is enclosed to ensure the safety of everyone. It promises to be a very popular spot if we can get the weather to enjoy it.

After Fr. Michael Francis blessed the garden, guests enjoyed refreshments before being entertained by the musical talents of the Garda Síochána Band and guests, residents and attendees sang and danced for the remainder of the morning.

Saint Joseph's is the ONLY care home in Ireland solely dedicated to dementia care, and is also the largest dementia specialist unit too.

Saint Joseph's vision is to lead the way in dementia care in Ireland and become the first ever Dementia Village in the country, where people can live and be cared for in a homelike environment, where their feelings matter most.

The care that everyone living or attending at Saint Joseph's receives is very specific to their needs and to their stage of dementia and is focused on making feel like they matter.

If you would like to find out more about Saint Joseph's Shankill, check out our website *www.saintjosephsshankill.ie* you can also support our work by donating online.

GREEN AREA TO REAR OF ASSUMPTA PARK AND NEW VALE COTTAGES

The Assistant Staff Officer in the Property Management Section of the Infrastructure and Climate Change Department informed me of the following:

"I acknowledge receipt of your e-mail dated the 25th of April, 2017 in connection with your request to cut the grass to the rear of Assumpta Park and New Vale Cottages (along the motorway). I have discussed this request with the Parks Foreman who has informed me that the Parks Section have left the area in question as a wild meadow area in the interests of biodiversity. This area is cut every autumn and is done so by accessing through Crinken Glen where they must remove railings to complete the works and thereafter re-erect. The residents of Crinken Glen do not want the access point left open as it has been subject to anti-social behaviour in the past and also for security purposes."

CENTRE WHITE LINE ON THE DUBLIN ROAD

Question: *"To ask the Chief Executive to renew the centre white line on Dublin Road between Shankill and Bray especially in the vicinity of Shanganagh Park and Cemetery?"*

Reply: The renewal of the road markings on the Dublin Road between Shankill and Bray will be added to a lining list to be issued to the road marking Contractor.

DOUBLE YELLOW LINES ON CORBAWN DRIVE & QUINN'S ROAD

Question: *"To ask the Chief Executive to install double yellow lines on Corbawn Drive and Quinn's Road to ensure motorists do not block the emergency access?"*

Reply: The request for double yellow lines at these locations will be added to the agenda for the next Traffic Advisory Group (TAG) meeting with the Gardaí.

Shankill Tennis Club

It has been another very busy month in Shankill Tennis Club with a lot happening both on the courts and in the clubhouse! On 21st April Trish and Frank O'Neill ran a hugely successful Table Quiz night and the clubhouse was packed with razor-sharp competitors. Sincere thanks are due to all who helped organise this event – in particular Cathy Grehan for organising the copious and generous prizes, Thomas Kirwan for manning the bar on the night, Rita Leonard, and of course Trish and Frank O'Neill, our quizmaster. Eventually the winning team of Damian McGuone,Laura Coughlan, Gordon Hill and Larry Rawson emerged victorious and enough funds were raised to enable essential maintenance work in the clubhouse to be carried out.

Table Quiz winning team (L-R): Damian McGuone, Laura Coughlan, Gordon Hill, and Larry Rawson

On Easter Monday a team from Shankill entered the Greystones Easter Open Ladies Doubles and came home successful, winning a bottle of Prosecco for their efforts! Congratulations to Sarah Cannon, Regina Harkin, Veronica Casey and Rachel Donovan. This was a great opportunity to enter a team for friendly but competitive tennis, meet new players from different clubs, and eat the lovely food on offer. Three players from Shankill were selected for the first Irish Blind Tennis team that is competing in the International Blind tennis association's world tournament in Alicante in Spain from 6-12th May... Tina Lowe, Susan Corrigan and David Nason are representing the Irish team in the tournament which involves teams from 17 countries. At time of writing the team are reporting some tough round robin matches but regardless of results, the benefits of participating are already evident, with matches against Germany and GB planned for the coming months. Junior News A big congratulations to Shankill Tennis Club member Ellie Murphy, winner of the U-18's Templeogue Tennis Club Centenary Open on 22nd April – a fantastic achievement!

Upcoming leagues: This is the height of the tennis season and we wish the very best of luck to all Shankill Tennis Club teams who will be playing in summer league this year. Although the matches can be tough, the post-match teas and chat are always worthwhile! And finally...Shankill Tennis Club would like to acknowledge the efforts of club members to give something back to our community. On Saturday, 6th May several members participated in the Darkness Into Light fundraising walk in Bray for Pieta House, and two club members Rachel Donovan and Ingrid Baugh have recently been training amongst a group of approximately 20 others to be First Responders in the Shankill/Ballybrack Area. Shankill First Responders is an organisation being set up in our community, for our community and will directly benefit all of our community. The First Responders have a fundraising page at:*https://www.gofundme.com/shankill-ballybrack-cfr*, or you can contact Dave McCormack at 0834375273 or *shankillcfr@gmail.com.* All money raised is used to train instructors and responders, buy essential equipment for the volunteers who will respond in our community during times of emergency and also purchase and install local public access defibrillators.

Winners at the Greystones Easter Open Doubles (L-R): Sarah Cannon, Regina Harkin, Veronica Casey and Rachel Donovan

If you need any information about joining the tennis club, just drop down at any time or phone the office at 01 2825400. Our website is www.shankilltennisclub.com and we especially encourage our members to follow us on Facebook!

ROC PROTECTION

Cormac Spain, Ross Byrne, Carl Cullen

ROC Protection is a local business ran by 3 local teenagers, Cormac Spain (Cabinteely), Ross Byrne (Cabinteely) and Carl Cullen, the Managing Director of ROC Protection who lives and operates the company from Shankill. All at the age of 17, the business sells the ROC hurling protective baselayer, a light durable protective hurling jersey that is worn under both hurlers and camogie players jersey in order to reduce the impact of both hurls and on-rushing sliotars. The three 5th year students from Clonkeen College have just won the National Student Enterprise Awards 2017, Griffith College Entrepreneur Awards 2017 and have appeared twice now on the Late Late Show, making quite a name for themselves.

The multi-award winning ROC jersey is specially designed to suit hurler and camogie players with padding situated strategically around the jersey on the shoulders, collarbone, centre chest, stomach and ribs. The jersey is made of lycra and compressed foam. There is a number of colours available from €55 such as black, white, camouflage, blue and yellow on their website: ***www.rocprotection.com***

The ROC Sock has also been recently released, a shinguard sock that is machine washable, unlike normal plastic shinguards that smell and can't be washed. The Sock goes for €12.50 on their website.

ROC Protection have created a name for themselves among many GAA stars such as Cuala's All-Ireland winning star Con O'Callaghan, Cork Camogie legend Anna Geary, Des Cahill and Kilkenny All-Stars Michael Fennelly and Ger Aylward.

The ROC products are available on their website, in Cuala GAA's club shop, Peninsula sports (Co. Down), Urma Sport (Co. Waterford) and the Kilkenny Hurling Depot.

SHANKILL GAA CLUB

Juvenile Academy

The Academy is in Shanganagh Castle every Saturday morning from 10.00am to 11.00am. The cost is just €2 per child and there is no annual subscription. All equipment is provided free and qualified coaches are always in attendance. Please come along any Saturday morning and give it a try. A special thanks to the young ladies from our under 13 girls football team who have volunteered to come and help out with the Academy. It's just brilliant and Great Spirit giving something back into the club.

Summer Camp 2017
Sponsored by O Donnell's Pharmacy

The Summer Camp will take place here in Shanganagh Park Shankill from 3rd to 7th July 2017. Cost for club members is €45 per child and non members €60 with €5 discount for siblings. Great value and great fun, numbers are limited so contact Steve Davis 087 6414123 for bookings.

Golf Classic
Sponsored by John Brady Group

Friends of Shankill GAA the time sheet is almost full so get in contact ASAP. The venue is Woodbrook Golf Club. The date is Friday 30th June 2017. The cost is €300 for a team of 4 players which includes a meal in Brady's pub. Contact Jimmy Nolan 087 2633203 or Mike Brophy 087 6411994 for further details or to make a booking.

Club Lotto

Due to circumstances out or our control we have had to put a hold the club Lotto for the present. Do not worry the Jackpot of €1500 still stands all sold tickets are in safe keeping and will be entered in the next draw which will be held ASAP

Shankill under 9 footballers in Croke Park.

Our under 9 football team recently played in the Go Games series of matches on the hallowed turf of Croke Park. We were in some style as the team togged out in the luxury dressings rooms beneath the Cusack Stand then on to the warm up room into the tunnel and finally out onto the field. The Go Games formula is quite simple; everyone gets a game no sitting on the bench. The matches were very exciting and the large crowd of club members, parents, and friends cheered on our team from the stand. There was great skill on view and some brilliant scores as the play swung from end to end. When the games were over the lads and two girls were taken over to the Hogan Stand for the official team picture just like on All Ireland day. After the excitement eventually died down we retired to the picnic area where the parents laid on tons of goodies for both players and supporters. What a wonderful day and what memories for our young players having played in ***"Croker".*** Perhaps one day in the future some of the players will walk up the steps of the Hogan Stand having just won an All Ireland Medal. Many thanks to all concerned who organized the day and to our coaches Mike Brophy and Eoin O'Rourke. Well done everybody.

HISTORICAL WALK AND PICNIC ON SHANGANAGH CASTLE LAWN

This Community event was very successful with upwards of 100 people participating. Everyone seemed to enjoy the walk and there was huge interest in the Historical talk by Rob Goodbody on the Rathmichael Cross, at Old Rathmichael Church and Graveyard and Rathmichael Ring Fort or Rath. Most people were fascinated that we had so much history on our doorstep and most of us had limited or no knowledge of these very old places. When we returned to Shanganagh Castle, we enjoyed a wonderful picnic in glorious sunshine, it was lovely to see the children playing on the lawn and adults chatting away and enjoying themselves until late afternoon. Our thanks to the Allotment Committee, mainly Susan Barr and Maura McGinley, who laid on teas and coffees and other goodies. We hope to repeat this enjoyable outing on August Bank Holiday Monday.

CLEAN UP DAY

We had our biggest turn out ever for out. Thank you to all our volunteers (children and adults) who turned up at our Clean-up Day. Also thank you to an Cathaoirleach Cormac Devlin and Councillor Jim Gildea who rolled up their sleeves and helped out. We were delighted with the amount of work done on the day. We filled 3 large skips to the brim with rubbish and 32 One Ton skip bags full of green waste. The village and estates definitely look so much better.

PLANTERS PROJECT

We are expecting to unveil a series of planters in early June which we know will enhance the appearance of the village. We are ever grateful to a number of business and individuals who sponsored these lovely planters. Keep an eye out for them around the place.

BEE FRIENDLY

If you are planting you garden please consider planting Lavenders Buddleia, Fuchsia, Dahlias, Alliums, Snapdragons and other bee and butterfly loving plants.

WORK PARTIES

Our work parties continue to meet outside Brady's on Tuesdays at 10:30am, Thursdays at 7:30pm and Saturdays at 10:30.

QUINN'S ROAD, SHANKILL

We urgently need a lot more people to help us as the amount of work that needs to be done is too much for our current volunteers. There will be a dire need for flower beds, planters etc., to be watered regularly. We people in different areas (without taking up much of their time) to look after these plants in their own immediate area. The judging period is 1st June – 31st August so we need lots of help to keep the Village litter free and looking great during these months.

Cllr. Jim Gildea

SHANKILL SHOPPING CENTRE

Following the information evening they hosted in Shanganagh Park House on April 24th Lidl Ireland submitted a planning application to DLR Co. Co. on 10th May seeking permission to demolish the existing centre and to construct a new mixed-use development comprising a two-storey building to accommodate a supermarket and off licence at first floor level, undercroft parking at ground floor level and green roof. This building will be, for the most part, on the site of the existing building. They also wish to construction a separate two-storey building at the Shanganagh Road side of the site to accommodate a café, pharmacy and medical centre. Additionally they are seeking permission for a single-storey crèche at the Dorney Court roundabout end of the site. I have included a detailed description of the application in the Planning Notices on page 30.

CHANGES TO TREATMENT BENEFIT

At the end of March the Dept. Social Protection extended the Treatment Benefit scheme to some 450,000 self-employed people and their dependent spouses for the first time. This includes small business owners, farmers, tradespeople, freelancers, contractors and professionals and you as Councillors.

It means that people who work for themselves and pay PRSI at Class S can now get the same regular dental and optical examinations, free of charge, that until now were only available to employees. They will now also be able to get a grant for hearing aids of 50% of the cost, to a maximum of €500 per aid, every four years. This is the latest step in extending benefits to the self-employed. From October, the free scale and polish at the dentists and grant towards eye-glasses will be instated.

R118 / WYATTVILLE DUAL CARRIAGEWAY, CHERRYWOOD

The delivery of the Cherrywood Strategic Development Zone will involve significant construction works over the ***next 18 months*** in the Cherrywood area.

The first phase of infrastructure provision for the Cherrywood Strategic Development Zone will be delivered by JCL the joint venture between John Cradock Ltd and Jons Civil Engineering.

Major road works began on the Wyattville Dual Carriageway between M50 Junction 16 and the N11 at Cherrywood, on 9th February 2017 and will continue for the remainder of the year. The primary focus of this phase of the infrastructure works is the upgrade of the Wyattville Roundabout to a signalised junction, and upgrade of Tullyvale Road, involving road construction, road drainage, public lighting, provision of utilities, etc.

Traffic restrictions will be in place for the duration and delays can be expected. It is intended to retain two lanes of traffic inbound and outbound.

Please note that Pay and Display parking on Tullyvale Road ceased permanently from 1st February 2017, however, Pay and Display parking is available adjacent to the Brides Glen Luas stop, on Cherrywood Avenue Extension.

From the 24th April 2017, traffic is reduced to 1 lane in both directions on the R118 Wyattville Link Rd between the N11 and M50 from 10am and 4pm daily. This is to facilitate the installation of new service crossings across the R118 Wyattville Link Road in multiple locations. This will continue daily for approximately 6 weeks. It is also intended to install barriers to the median of the R118 Wyattville Link Rd (between the M50 and Cherrywood Roundabout) to facilitate works in the median. This will stay in place for approximately 8 weeks. Two lanes will be maintained.

So this month I interviewed Michael Dooley who is a student in Mrs. Black's class and Ms. Olson one of the Senior Infant teachers.

Starting with Michael, he really likes school and his teacher because he said both are fun! They do lots of Maths, English, and Irish in his class. He loves most subjects. Best part of his day is playing with his friends in yard. In one word he described school as "good"!

And Michael, if you're reading, thank you very much for that-great interview! Next I had a very interesting conversation with Ms. Olson. She loves being a teacher in St. Anne's because of the lovely atmosphere, the children here are always happy and smiling, and it is a nice place to teach.

She has been teaching here for two years, and last year she was teaching resource. Prior to St. Anne's she taught in St. Peter's in Bray and last year she actually split her time between both schools!

She said the funniest thing she has experienced in St Anne's was just recently watching the children's reactions when the chicks hatched out of their eggs in her classroom. She loves Maths time because they play lots of games, and she believes the children enjoy doing maths through play. The reason she loves teaching is because for her every day is different, no two days are the same, and you meet and get to know so many wonderful children.

The big news in Ms. Olson's class was the famous chicks (Mario and Lu-Cheapy). They went from eggs to chicks in her classrooms. Unfortunately they grow up too quickly and the class had to say goodbye. The good news is that they have gone to a new home where they are very happy.

Thank you for reading.
Join us next time for another great interview!

First Holy Communion 2017

The First Holy Communion of the children in the two Second Classes took place at Sunday Mass in early May. Pictured above are the communicants with their teachers, Ms. Downey and Ms. McDonagh.

Financiers of the Future

Transition year students from St. Laurence's College came into to talk to the Sixth Class about Build-a-Bank, a project they had undertaken and for which they had won a prize. They explained how banks work, showed how to open bank accounts and how to set up a mini company. In addition to advising the children about money matters, they also organised an egg hunt in the school grounds. We are very pleased to see how these girls, past pupils of Scoil Mhuire, getting on so well in secondary school.

D.E.A.R. (Drop Everything and Read)

Scoil Mhuire has many initiatives to encourage the children to read. D.E.A.R. is one of them. Several times a week the children are brought to the school library. They change their books if necessary, and settle down to read in a quiet, calm environment. They enjoy this time very much.

5th and 6th Class at the Pavilion Theatre

Fifth and Six Class went to the Pavilion to see the one man play, "Private Peaceful". They met the actor, Shane O'Regan, on the D.A.R.T., on the way back to school and discovered that he lived in Shankill! The children and teachers took the opportunity to get a photo with this up-and-coming actor. Pictured above are Mrs. Morgan, Deputy Principal, class teachers, Ms. Power and Ms. O'Connell, Shane O'Regan and some of the pupils who attended the play.

Searching for Marine Life on Shankill Beach

Ms. McCarthy and Ms. McKenna took their classes on a nature walk to Shankill Beach. The children explored rock pools and discovered how many different creatures live in each one. They learned a lot from their time spent in this outdoor classroom. As for the teachers, they were so ex-hilarated they jumped for joy!

South Shankill Residents Association

The South Shankill Residents Association is active once more, this comes at an important time as there is a lot of developments planned in the area. In particular, the DLR County Council Local Area Plan (LAP) for Woodbrook/ Shanganagh and Lidl's application for planning permission to demolish the shopping centre in order to build a new store on the site. With new houses, apartments, schools, a new Dart station, and a crematorium all planned for the area and no apparent improvements to the roads we really have to keep an eye on things. Thank you to those who sent us their comments in relation to the Woodbrook / Shanganagh LAP. We have posted in a submission to Dun Laoghaire Rathdown County Council voicing our views and concerns.

It is vital that we, the residents, have a collective voice through the SSRA in influencing developments such as these to minimise their impact on the quality of life in our area. We invite you to get involved and have a say in the decisions being made affecting your own community and environment. You can do this by becoming a member, please return your membership application form and €5.00 subscription to your local area committee member.

South Shankill Residents Association (Est. 1967) are celebrating the 50th Anniversary of it's founding with a Buffet Supper in Fitzpatricks' Castle Hotel Killiney on Friday 21st July 2017 at 8pm. Cost is €30 per person and early booking is recommended.

School News in scan

Rathmichael National School

Our past month has been one of activity. We had an Active week whereby all pupils wore orange t-shirts and we got active every day.

Here in Rathmichael we believe in keeping the body fit. We tend not to limit activity to just the one week and include many other sports throughout the year. Some of these are cricket, GAA, football, tag rugby, golf and swimming.

We had a golf day for 3rd to 6th classes. Pupils were introduced to skills in golf. They enjoyed this. It is through experiencing many sports at this level that children find an avenue for themselves to get involved in. You will never get all children excited about each event but many go on to join clubs once they have discovered a new activity or a sport which works for them.

Not every child is fit and energetic but most of them can walk. One of the challenges last month was to get walking. Pupils had to see how many times they could walk around the pitch in 5 minutes. Classes regularly go out to see how their running skills are doing.

We got involved in a Dance Day in aid of the Down Syndrome Centre this year. Each class had to dance in front of the school. It was fun and we raised money for a good cause in so doing.

Obesity is a problem and is certainly one worth tackling. Encouraging healthy eating and exercising regularly are what we encourage at Rathmichael. We are lucky to have such supportive parents who help in all our ventures and encourage their children, as we do.

FULL INSURANCE TAX CLEARANCE CERT

SHANGANAGH CEMETERY: NUALA FENNELL

by Gabriel Conroy

It is not that long since married women were denied many of the rights we take for granted today. Once a woman had promised to 'love, honour and obey' her husband, the law effectively recognised him as her legal guardian. Without his consent she could not collect Children's Allowance payments, obtain a passport, or share ownership of the family home. Unfortunately, the financial dependence which these and other laws imposed made it difficult for married women to escape an abusive marriage. However, things began to improve in 1974 when the first home for battered wives was opened in Dublin. The moving spirit behind this much-needed initiative was a journalist named Nuala Fennell.

Nuala Campbell, as she was before she married, came from a typically conservative, middle-class background. Her father was a Garda, her mother a former secretary, and they sent their daughter to be educated by the Dominican nuns in Eccles Street. When she was twenty-two, Nuala married Brian Fennell, an insurance man. They had three children and Nuala settled down to being a housewife in their comfortable home on Foxrock Avenue. Although she loved her family dearly, Nuala struggled to fit into the role prescribed for her by custom and convention. So she bought a typewriter and wrote about what it was like to be an Irish wife and mother in the late-1960s. Her articles appeared in the national press and she became something of a household name. In 1970 Nuala helped found the Irish Women's Lib movement but left soon afterwards because she was not happy with the extreme positions taken by some of her colleagues.

Moved by the stories of domestic abuse she came across through her journalistic work, Nuala Fennell learnt how concerned British women had tackled the same problem there. Supported by family, friends, and a host of volunteers, she founded Irish Women's Aid to help those fleeing domestic violence. The new group set up a refuge in Harcourt Street which was soon filled with women and children from Dublin and other parts of the country. In the climate of the times running such a centre was risky. Nuala and her fellow volunteers had to sleep there on rotation after an irate husband smashed his way in and attacked his wife.

Slowly but surely, official Ireland responded to the discrimination which Nuala Fennell and her colleagues were highlighting. Attitudes and, more importantly, laws began to change to the benefit of women. In 1976, a new act made it illegal for a man to sell the family home without his wife's written consent. A year later Nuala entered politics and eventually became Minister of State for Women's Affairs and Family Law. One of her achievements was to abolish the concept of illegitimacy which had stigmatised children born outside marriage.

Nuala Fennell spent her last few years battling a rare blood disorder which ultimately led to her death in St. Vincent's Hospital on August 11th 2009. Her last words to Brian were 'Didn't we have a wonderful life together?' She is buried in Shanganagh Cemetery.

Shankill Old Folks Association (SOFA)

At the time of writing we are enjoying the sunny weather in the garden of the Daycare Centre where it is warm and sheltered from the wind. The garden tables and chairs are getting good use.

Tai Chi has started up again for 6 weeks due to the generosity of Age and Opportunity who have grant aided the project. Those taking part benefit enormously from this gentle exercise.

At Easter time our concert with Aine Ni Bhriain and the choir at the Centre was well attended and a great success.

For the last few years Sean O Raghallaigh, a fluent Irish speaker, has been volunteering at the centre to engage with us 'As Gaeilge' – stirring up memories of school days and times past. It is an enjoyable fun activity. Sean is planning to start an open session in Shankill in the near future where interested people can meet for Irish conversation and 'An Cupán Tae/Caife'. Contact *Sean at 087 6900710.*

Volunteers are needed at the Daycare Centre – we can never have too many. Commitment is usually on a three week rota. It can be enjoyed as well as being very worthwhile. Do get in touch.

Currently we are looking for a specific volunteer – perhaps an artist or someone with drawing and painting skills as there is a demand for this activity. It could be run on a fortnightly basis but all offers will be considered!

Contact Nurse Manager, Jacinta O'Sullivan on 01 2826364 for further information.
